

Application for Partial Tuition Deferment

Logos Harrisburg recognizes that sometimes a family may experience a short-term extenuating circumstance after the commitment to pay tuition has been made. We seek to help by offering a short-term partial tuition deferment to families finding it impossible to make their full monthly tuition payment. Circumstances may include a death in the immediate family, unexpected loss of employment, serious or sudden illness with extraordinary medical expenses, or special circumstances of a temporary nature. **Please note:** It is expected that the deferred tuition amounts will be paid in full by the end of the school year.

These funds are limited. To be considered for a short-term partial tuition deferment, please submit this application to the Head of School, Andy Phillips, explaining the situation.
