

Welcome Parents and Guardians!

Logos Academy Harrisburg uses the Remind app to communicate with you

This is the way you can stay up-to-date, right on your cell phone, with announcements, pictures, messages, school closings, and more from the school and from your student’s teacher.

There is NO cost to join. You may be cautioned that there could be charges, but press “accept” anyway. There will **not** be ANY charges to parents/guardians.

Please follow the simple instructions below.

Pre-K families:	text @logos76 to 81010
Kindergarten families	text @logos34 to 81010
1st grade families:	text @logos45 to 81010
2nd grade families:	text @logos54 to 81010
3rd grade families:	text @logos65 to 81010

1. When prompted, download the **Remind** app.
2. **You’ll want to join with your phone number, not your email.**
3. When asked if you want to join as a teacher, parent, or student, choose **parent.**
4. You’ll probably want to disable “text notifications” to only receive notifications within the **Remind** app. Here’s how to do it:

1. when you’re in the class screen, click the three dots in the upper right-hand corner of your screen
2. click “account”
3. click the setting wheel icon
4. turn “text notifications” to “off”

Note: if you do not have a smart phone, please call the office @ 717-412-0069
